Buyer shall reimburse Seller for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. In addition to all other remedies available under Seller's terms and conditions or at law, which Seller does not waive by the exercise of any rights hereunder, Seller shall be entitled to suspend the delivery of any Goods and/or performance of Services if Buyer fails to pay any amounts when due hereunder and such failure continues for three (3) days following written notice thereof. Buyer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with Seller, whether relating to Seller's breach, bankruptcy or otherwise. If Seller at any time determines, in its sole and absolute discretion, that Buyer is not financially sound or responsible or may be unable to pay in full and in a timely manner all amounts due to Seller, Seller shall have the right to require immediate payment in full in cleared funds prior to continuing work or incurring any further cost. Buyer must raise any dispute relating to an invoice within fifteen (15) days of the date of invoice. If Buyer's dispute is held to be valid, Seller shall credit Buyer the disputed amount.

If Seller prepays shipping, insurance, or other related charges, Buyer agrees to reimburse Seller promptly for such charges. Shipping and handling will be

charged on Orders totalling less than \$5,000 (CAD). Unless otherwise directed in writing by Buyer, Seller will arrange for shipping and insurance via the most economical means and will bill Buyer at cost.

13. EXPORT COMPLIANCE. The shipment of Goods, provision of Services, and delivery of technical information to Buyer and end-users under Buyer's Order may be subject to all decrees, statutes, laws, rules, and regulations which govern export, re-export, or otherwise pertain to export controls and regulations of (i) the Government of Canada, including the Export and Import Permits Act, the United Nations Act, the Special Economic Measures Act, the Defence Production Act, and the Canadian Criminal Code; (ii) the country of Buyer; and (iii) the country of the end-user. Buyer agrees that it will not export or re-export Goods to Iran, North Korea, Sudan, Syria, or to any restricted/embargoed country as may be designated from time to time by the U.S. and/or Canadian Governments unless otherwise authorized by the U.S. and/or Canadian Governments. Buyer further agrees that (i) it will not sell, transfer, export or reexport Goods for use in activities that involve the development, production, use, or stockpiling of nuclear, chemical, biological weapons or missiles, nor (ii) use such Goods in any facilities that are engaged in activities related to such weapons or their delivery systems (e.g., ballistic missile systems, space launch vehicles, etc.). Buyer acknowledges that U.S. law prohibits the sale, transfer, export, re-export to, or participation in any export transaction involving Goods with individuals or companies listed in (i) the U.S. Department of Commerce's Denied Persons List, Entity List, or Unverified List; (ii) the U.S. Department of Treasury's Specially Designated Nationals and Blocked Persons Lists; or (iii) the U.S. Department of State's Debarred Persons List. Buyer agrees to indemnify and hold Seller harmless from any claims or liability arising from Buyer's failure to comply with all such export control laws and regulations. The Parties each agree to provide to the other in a timely manner such information and assistance as may reasonably be required in connection with securing any required authorizations or licenses. The delivery schedules delineated in Seller's Offer and/or Buyer's Order are calculated from the date of receipt of any required export license(s). Seller shall commence work only after receipt of a valid export license(s) from the appropriate U.S. Government agencies or other applicable governmental agencies; provided, however, Buyer may, at its sole risk, authorize Seller to commence work under Buyer's Order prior to receipt of an export license. In such case, Buyer agrees that it is fully liable to Seller for all costs incurred by Seller in the performance of Buyer's Order and shall reimburse Seller for such costs in the event any required export license or authorization is denied or cancelled, or if any restrictions imposed by the issuing agency render continued performance of Buyer's Order impossible or impracticable. Any Order accepted by Seller which cannot be fulfilled due to law or regulations or Seller's inability to obtain any required export license(s), may be cancelled by Seller without any further liabilities or obligations to Buyer.

14. DELIVERY SCHEDULES AND FORCE MAJEURE. All dates for delivery of Goods and provision of Services are approximate estimates only and require prompt receipt of all necessary Buyer-furnished information, instructions, materials, and equipment, if applicable, and Seller shall not be liable for non-adherence with such dates. Any delay or failure of Seller to perform its agreed obligations under Buyer's Order shall be excused if such delay or failure is the result of an unforeseeable event or occurrence beyond the reasonable control of Seller, and without its fault or negligence, including, but not limited to, acts of God, actions by any governmental authority, inability to obtain any necessary import or export licenses or other consents, terrorism, fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, supplier delays, labor problems (including lockouts, strikes, and slowdowns), inability to obtain power, utilities, materials, labor, equipment, transportation, or court injunction.

15. CHANGES. Buyer may request changes within the general scope of Buyer's Order by providing written notice to Seller; provided, however, such changes shall not be effective unless and until Seller, at its sole discretion, consents to such changes in writing. If any such changes cause an increase in the cost or time required for performance of any part of Buyer's Order, an equitable adjustment shall be made to the price and/or delivery schedule, and the Parties shall execute a written modification to Buyer's Order to reflect such changes and adjustments.

16. ORDER CANCELLATION. Buyer's cancellation of any Order for the Goods that has been accepted and confirmed by Seller is subject to a processing fee of twenty percent (20%) of the Order price for the Goods unless Buyer's written cancellation notice is received by Seller not less than thirty (30) days prior to the Order's confirmed delivery date. All other Orders are non-cancellable and non-returnable, and Buyer is liable for payment of the full Order price for same. Blanket Orders, Master Supply Agreements, and the like, which are accepted and confirmed by Seller are non-cancellable and Buyer shall pay Seller the full Order value for the balance of quantities not previously called off or delivered to Buyer. All such quantities will be shipped and invoiced no later than the last delivery date or expiration date specified in the Order and agreed to by Seller.

17. TERMINATION FOR DEFAULT. In the event that a Party (the "Breaching Party") is in breach of a material provision of Buyer's Order, the other Party (the "Non-Breaching Party") shall submit a written cure notice to the Breaching Party advising of such breach. Except in the case of amounts due Seller from Buyer, which shall be paid immediately upon Buyer's receipt of the notice, the Breaching Party shall have thirty (30) days from receipt of such notice to cure the breach. If the Breaching Party does not cure the breach within the thirty (30) day cure period, the Non-Breaching Party may terminate Buyer's Order for default. Either Party may immediately terminate Buyer's Order if the other Party is adjudicated bankrupt, files a petition for bankruptcy, makes an assignment for the benefit of creditors, or if an action under any law for the relief of debtors is taken.

18. LIMITED WARRANTY. Seller warrants that for a period of twelve (12) months, all Goods delivered under Buyer's Order shall conform to the functionality outlined in Seller's applicable software documentation. This warranty is valid provided that the Goods are installed according to Seller's guidelines. If, at any time during the Warranty Period, the Goods become defective or non-conforming with the applicable software documentation, Seller, at its sole option, shall either repair or replace defective Goods, or issue Buyer a credit for the original price of the defective Goods. Such repair, replacement, or credit shall be Buyer's sole remedy for defective Goods and Services. The warranty for all other third party hardware and software acquired by Seller for Buyer will be passed to Buyer where permitted by the manufacturer. If such third party hardware and software under warranty must be handled by Seller, all shipping and labor charges shall be invoiced to Buyer. Seller guarantees hardware compatibility with Seller's Goods only when the hardware is purchased from, or specified by, Seller. Seller is not responsible for on-site hardware installation or related work activities unless otherwise agreed in writing. Seller does not guarantee performance of the Goods in situations where Seller's Goods are required to integrate or co-exist with software not supplied by Seller. Software operation may be limited to specific hardware platforms and operating systems. Please contact Seller for more information. In the case of defective Services (where the defect is identified within six (6) months after performance), Seller shall re-perform such Services. Such re-performance by Seller shall be Buyer's sole remedy for defective Services. This warranty does not apply to any Goods that, upon examination by Seller, are found to have been (i) mishandled, misused, abused, or damaged by Buyer or any third party; (ii) altered from their original state; (iii) repaired by a party other than Seller without Seller's prior written approval; or (iv) improperly stored, installed, operated, or maintained in a manner inconsistent with Seller's instructions. Under no circumstances is Seller liable for recall, retrieval, removal, dismantling, re-installation, redeployment, or re-commissioning of any defective Goods or any costs associated therewith including, but not limited to, any subsea work performed below the waterline, heavy lift operations, or the transportation to or from offshore locations. The warranty period for repaired or replaced Goods or re-performed Services shall be the greater of (i) ninety (90) days, or (ii) the unexpired portion of the original warranty period. THESE EXPRESS WARRANTIES, INCLUDING THE REMEDIES SET FORTH HEREIN, ARE EXCLUSIVE AND ARE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS INTENDED OR GIVEN. IN THE CASE OF GOODS OTHER THAN THOSE OF SELLER'S OWN MANUFACTURE, SELLER MAKES NO WARRANTIES, EXPRESS, STATUTORY, OR IMPLIED.

-
- 19. TOOLING.** Unless agreed otherwise by Seller in writing, all tooling, fixtures, equipment, tools, software, and designs produced, acquired, or used by Seller for the purposes of fulfilling Buyer's Order shall remain the property of Seller.
- 20. PRODUCT DISCONTINUATION AND UPDATES.** Seller shall continue to offer the Goods and Services for sale, provided they continue to meet the business criteria established and maintained solely at Seller's discretion. Any Good or Service that does not, or is not expected to, meet Seller's business criteria may be eliminated from Seller's product offerings. In addition, Seller may, but shall not be obligated to, develop and provide updates for the Goods and Services for purchase by Buyer, at Seller's sole discretion.
- 21. BUYER'S OBLIGATION OF ASSISTANCE (APPLICABLE TO SERVICES).** To the extent Seller is required to perform Services for Buyer, Buyer shall provide Seller all information reasonably necessary for Seller to perform Services, including any plans, plant layouts, wiring instructions, operational information, previous studies, reports, or other information relative to the design, installation, and selection of equipment. Buyer shall grant or arrange for Seller to have access, as Seller reasonably requires, to all sites where Seller shall perform Services. Buyer shall also provide safe storage of Seller's equipment, materials, and tools during the performance of Services at Buyer or Buyer's customer's worksite. Buyer agrees to cooperate as necessary to facilitate Seller's performance of Services. Buyer covenants that it has fully and accurately disclosed to Seller all general and local conditions that may affect Seller's performance of Services. Buyer acknowledges that Seller is entitled to rely on information furnished by Buyer in developing its specifications, equipment selection, price, and in performing Services.
- 22. PROPRIETARY RIGHTS.** Seller shall retain all right, title, and interest in and to any data, information, software programs, tools, specifications, templates, scripts, ideas, concepts, inventions, works of authorship, products, know-how, processes, techniques, and the like used or developed by Seller, its employees, and its subcontractors in connection with Buyer's Order. Buyer agrees that Seller retains all proprietary rights in and to all products, specifications, designs, discoveries, inventions, patents, copyrights, trademarks, trade secrets, and other proprietary rights relating to Goods or Services. Buyer shall not copy or reverse engineer, or cause or enable any third party to copy or reverse engineer, any Goods. Unless otherwise identified in writing to Seller, no information or knowledge heretofore or hereafter disclosed to Seller in the performance of, or in connection with, the terms hereof, shall be deemed to be confidential or proprietary and any such information or knowledge shall be free from restrictions, other than a claim for patent infringement, as part of the consideration hereof.
- 23. PATENT, COPYRIGHT, AND TRADEMARK INDEMNIFICATION.** Seller shall hold harmless and indemnify Buyer against all third party claims, judgments, costs, and fees, including attorney fees, relating to infringement of any patent, copyright, trademark, or design (i) to the extent that the infringing Goods are manufactured, sold, or used, in whole or in part, pursuant to Seller's specifications, designs, drawings, or other technical data, and (ii) provided that Buyer notifies Seller in writing of any such claim as soon as reasonably practicable, and allows Seller to control, and reasonably cooperates with Seller in, the defense of any such claim and related settlement negotiations and has in no way acted to the prejudice of the Seller's ability to control and defend such claims. To the extent that any Goods are held by a court of competent jurisdiction or are believed by Seller to infringe or otherwise violate a third party's proprietary rights, Seller may, at its option and expense, either (i) modify the affected Goods to be non-infringing; or (ii) obtain for Buyer a license to continue using such Goods on substantially the same terms set forth herein; or (iii) if neither of the foregoing alternatives are reasonably available to Seller, Seller may require Buyer to return the infringing Goods and all rights thereto, and refund to Buyer the price paid to Seller by Buyer for the infringing Goods. Seller shall have no obligation under this provision to the extent any claim is based on (i) modifications of Goods or deliverables by a party other than Seller or Seller's authorized representative; (ii) the combination, operation, or use of Goods with equipment, devices, software, or data not supplied by Seller; (iii) the use or installation of Goods in an environment for which Goods were not intended; (iv) Buyer's failure to use updated or modified versions of Goods provided by Seller; or (v) the negligent acts or omissions or willful misconduct of Buyer, its employees, representatives, or affiliates. This Section, and the indemnification provided herein, does not apply to any Goods manufactured, sold, or used, in whole or in part, pursuant to Buyer's specifications, designs, drawings, or other technical data. THE FOREGOING CONSTITUTES THE ENTIRE LIABILITY OF SELLER AND BUYER'S SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO ANY CLAIMS OF INFRINGEMENT OF ANY THIRD PARTY INTELLECTUAL PROPERTY RIGHTS.
- 24. CONFIDENTIALITY.** Buyer shall keep confidential and not directly or indirectly disclose to any third party any Confidential Information of Seller, as defined herein, without Seller's prior written consent. "Confidential Information" includes, but is not limited to, business, financial, statistical, and commercial information, pricing, technical data and information, formulae, analyses, trade secrets, ideas, methods, processes, know how, computer programs, designs, data sheets, schematics, configurations, and drawings. Confidential Information does not include information that (i) is or becomes generally available to the public other than as a result of disclosure by Buyer; (ii) is or becomes available to Buyer on a non-confidential basis from a source other than Seller when such source is not, to the best of Buyer's knowledge, subject to any confidentiality obligation with Seller; or (iii) was independently developed by Buyer without reference to Seller's Confidential Information, and Buyer can verify development of such information by written documentation.
- 25. INDEMNIFICATION.** Each Party (the "Indemnifying Party") agrees to indemnify, defend, and hold harmless the other Party, its officers, directors, and employees (the "Indemnified Party") from and against any and all liabilities, losses, expenses, liens, claims, demands, and causes of action ("Claims") for death, personal injury, or property damage arising out of any negligent act or omission of the Indemnifying Party in the performance of Buyer's Order, except to the extent such Claims are contributed to by (i) the negligence or willful misconduct of the Indemnified Party, or (ii) the negligence or willful misconduct of any third parties. Buyer agrees to indemnify, defend, and hold harmless Seller, its officers, directors, and employees for any and all Claims, including Claims asserted by third parties, related to any Goods manufactured or Services performed in whole or in part to Buyer's designs or attributed to equipment, information, or materials furnished by Buyer to Seller. The Indemnified Party agrees to (i) notify the Indemnifying Party in writing of any Claims as soon as reasonably practicable; (ii) allow the Indemnifying Party to control the defense of any such Claim and related settlement negotiations; and (iii) reasonably cooperate with the Indemnifying Party in such defense.
- 26. LIMITATION OF LIABILITY.** Notwithstanding any other provision herein, under no circumstances shall Seller be liable to Buyer or any third party for any consequential, special, incidental, indirect, multiple, administrative, or punitive damages, or any damage of an indirect or consequential nature arising out of or related to Seller's performance under Buyer's Order, including, without limitation, loss of use, loss of revenues, loss of anticipated profits, and cost of capital, whether based upon breach of Buyer's Order, warranty, negligence, or any other type of claim, and whether grounded in tort, contract, civil law, or other theories of liability, including strict liability, even if advised in advance of the possibility of such damages. Seller's total liability to Buyer arising from or related to Buyer's Order, including, but not limited to, its liability for indemnity, defense, and hold harmless obligations, is limited to no more than the amount paid by Buyer to Seller under Buyer's Order. To the extent that this limitation of liability conflicts with any other Section or provision herein, such provision shall be regarded as amended to whatever extent required to make such provision consistent with this Section.
- 27. LAWFUL USE OF GOODS.** Buyer warrants and represents that all Goods purchased by Buyer from Seller shall be used only for or in connection with lawful purposes and that such use shall strictly comply with all applicable laws and regulations, including the laws and regulations of the jurisdictions in which the Goods are purchased, resold, integrated, or used.

Buyer is encouraged to communicate any concerns or questions regarding the ethics and values of Seller via the Teledyne Technologies Incorporated Ethics Website at www.teledyne.ethicspoint.com.

ORDER OF PRECEDENCE.** Any inconsistency between Seller's terms and conditions, Buyer's Order, or any other documents related thereto, shall be resolved by giving precedence in the following order: (i) Seller's Special Terms and Conditions (if applicable); (ii) Seller's General Terms and Conditions of Sale; (iii) Seller's specifications (if applicable); (iv) statement of work or scope of Services (if applicable); (v) Seller's written acknowledgement of Buyer's Order; (vi) Seller's Offer; and (vii) form of Buyer's Order.
- 30. GOVERNING LAW.** The performance of the Parties, and any judicial or arbitration proceedings, shall be construed and governed in accordance with the laws of the Province of New Brunswick, Canada, excepting its laws and rules relating to conflict of law. Neither (i) the United Nations Convention on Contracts for the International Sale of Goods; (ii) the 1974 Convention on the Limitation Period in Contracts for the International Sale of Goods (hereinafter referred to as the "1974 Convention"); nor (iii) the Protocol Amending the 1974 Convention held at Vienna, Austria, on April 11, 1980, apply in any manner to the interpretation or enforcement of Seller's Offer, or Buyer's Order.
- 31. DISPUTES AND ARBITRATION.** The Parties shall attempt to resolve any dispute, controversy, or claim arising under or relating to Buyer's Order, including their interpretation, performance, or termination. If the Parties are unable to resolve such dispute, either Party may refer the dispute to arbitration. The arbitration shall be conducted in English and in accordance with the ADRIC Arbitration Rules of The ADR Institute of Canada, Inc., which shall administer the arbitration and act as appointing authority. The arbitration, including the rendering of the decision and/or award, shall take place in Fredericton, New Brunswick, Canada, and shall be the exclusive forum for resolving the dispute, controversy, or claim. The arbitrator shall make the final determination as to any discovery disputes between the Parties. Examination of witnesses by the Parties and by the arbitrator shall be permitted. A written transcript of the hearing shall be made and furnished to the Parties. The cost of this transcript shall be borne equally by the Parties. The award or decision of the arbitrator shall state the reasons upon which the award or decision is based and shall be final and binding upon the Parties. The prevailing Party shall be entitled to compensation for the expense of the arbitration, including, but not limited to, the award of attorneys' fees, at the discretion of the arbitrator. Both Parties waive their right to any appeal under any system of law. The award shall be enforceable before any court of competent jurisdiction upon the application to such court by either Party. The arbitrator shall have no authority to award any of the types of damages excluded hereunder and shall be so instructed by the Parties.
- 32. RELATIONSHIP OF THE PARTIES.** Each Party is an independent contractor. Neither Party shall have authority to bind the other except to the extent authorized herein. Neither Seller's Offer nor Buyer's Order are intended by the Parties to constitute or create a joint venture, pooling arrangement, partnership, or formal business organization of any kind. The Parties shall act as independent contractors at all times, and neither Party shall act as an agent for the other, and the employees of one Party shall not be deemed employees of the other Party.
- 33. NO THIRD PARTY BENEFICIARIES.** Buyer's Order is for the sole benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of Seller's terms and conditions.
- 34. MODIFICATIONS TO ORDER.** Buyer's Order may only be modified by written instrument signed by duly authorized representatives of the Parties.
- 35. NOTICES.** All notices, request, consents, claims, demands, waivers and other communications related to Buyer's Order (each, a "Notice") shall be in writing and addressed to the Parties at the addresses set forth on the face of Buyer's Order or to such other address that may be designated by the receiving Party in writing. All Notices shall be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), facsimile (with confirmation of transmission), or certified or registered mail (in each case, return receipt requested, postage prepaid). Except as otherwise provided herein, a Notice is effective only (i) upon receipt of the receiving Party, and (ii) if the Party giving the Notice has complied with the requirements of this Section.
- 36. ASSIGNMENT.** Neither Party may assign, delegate, sublicense, or transfer, whether by operation of law or otherwise, its obligations or rights hereunder without the other Party's prior written consent and any assignment, delegation, sublicense, or transfer without such written consent is void and of no effect. If consent is given, the obligations and liabilities of Buyer's Order shall be binding upon and inure to the benefit of the successors and assigns of the Parties. Notwithstanding this provision, Seller may subcontract work to be performed under Buyer's Order to third parties or assign Buyer's Order to a parent, subsidiary, or affiliate company of Seller. In addition, without securing such prior consent, Seller shall have the right to assign Buyer's Order to any successor, by way of merger, consolidation, or the acquisition of substantially all of the business and assets of Seller relating to the subject matter of Buyer's Order; provided, however, that such successor shall expressly assume all of the assignor's obligations and liabilities under Buyer's Order.
- 37. WAIVER; REMEDIES; COSTS.** None of the terms, conditions, or provisions herein shall be waived by any act or knowledge on the part of Seller, except by written instrument signed by a duly authorized representative of Seller. The waiver by Seller of any term, condition, provision, or right hereunder or the failure to enforce at any time any of Seller's terms and conditions, or any rights with respect thereto, is not a continuing waiver or a waiver of any other rights, or of any material breach or failure of performance of Buyer. The remedies herein reserved or created for Seller shall be cumulative, and additional to any other or further remedies provided at law or in equity. Seller may remedy any breach of the terms or conditions hereof without waiving the breach remedied, or without waiving any other prior or subsequent breach. Buyer shall pay all Seller's costs and expenses, including attorney's fees, incurred by Seller in exercising any of its rights or remedies hereunder or enforcing any of the terms or conditions hereof.
- 38. SEVERABILITY.** If any term, condition, or provision herein is invalid, ineffective, or unenforceable under present or future laws, then the remainder of the terms, conditions, and provisions shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
